

CLUBS AND SOCIETIES

AMANJ CLUB

One of the most treasured souls in the dynasty of Kenya's history, on Daniel Arap Moi was the pioneer of peace, love, and unity as he was the founder of the Nyayoism philosophy. PEACE! It's just that simple

Compiled by; Caleb Mwendwa, 4G

INTEGRITY

The integrity club is there to mould each one of us and make us role models to others. It's all about you and me and the partner next to you to bring a change not only a change but a positive change for the upcoming generation

Compiled by; Calvin Muiya, 4G

MATHS CLUB

Earth, a world of revolving numbers, from the number of the days it took to create the cosmos, the population of the people on the earth, the number of continents in it; everything is really based on numbers in technology-binary in identification- ID numbers and so much depends on mathematics and as we learn it we become better equipped with skills we need for life

Compiled by George Njoroge, 4D

KENYA REVENUE AUTHORITY CLUB

As a tax club which is privileged, we would like to take this opportunity to acknowledge our due slogan 'Tulipe Ushuru Tujitegemee'. To Mr. James all I say is thank you for your tireless effort to help us learn more of our club. Hence I wind up encouraging to all the future compliant tax payers about I whistle which helps to curb corruption in our country Kenya. Thank you.

Compiled by; David Muhato, 4C

DRAMA CLUB

Welcome to Drama club where we nurture talents. It has been this school's tradition performing in drama festivals which take place at the beginning of the school year. This club is not only a club but a family which has been adamantly in creating movie stars and celebrities to go way high even to Hollywood. With the aid of our dearest matron who we call 'mom' we have been able to do the best of this to the best of our ability and for that we say Marci Beacquop Ms. mutuku. The administration is not forgotten so many thanks to you administration.

Compiled by; Pharrell Mutuku, 4G

GEOGRAPHY CLUB

What better way is there to survive in this world of ups and downs than to know and comprehend what Geography entails? Geology is the best encounter for obstacles facing general developments of the earth

Compiled by; Daniel Nyamasyo, 4A

K.S.E.F

Innovation comes from saying NO to 1000 things. Innovation survives only when people believe in their own ideas. Take the best that exists and make it better, if it doesn't... design it

Compiled by; David Imani, 4G

MUSIC CLUB;

Music is part of our everyday lives as humans. I mean take a look at how many times you find yourself singing or humming a particular song. Here at Kitui School we are dedicated to making music legends through our actions which have shown our great prowess. We can't forget The Almighty for how far he has brought us even blessing have to reach the national level where we were successful in producing one of the Kenya ones in the annual music festival. We thank the patron for how far he has put his best foot first to make us what we are today. Thank Ms. Mutuku, Mr. Sebastian and not to forget the administration for your support.

ST JOHN AMBULANCE,

As a club we have faced many challenges and yet we have managed to emerge victorious. The future awaits and surely we shall succeed. I am calling out to you to join this club

Compiled by; Kelvin Mwanza, 4C

RED CROSS CLUB

With at most gratitude to the Almighty God, I would like to thank my fellow members for their cooperation and dedication. I am calling upon you to join this remarkable club

Compiled by; Befon Mulinge, 4G

PRESIDENTIAL AWARDS CLUB

It is a great honor that I present the Presidential Awards Club report on behalf of all members. The club focuses on warranting that top-performing scholars are not only stemming academic dexterity but are also affianced in fields that though basic are very critical in life. The knowledge and skills assimilated from these undertakings succor the members to tackle life's two faced-aspect.

Complied by; Benjamin Kilonzi, 4A

WJIDLIFE CLUB

The mysteries of this world to fascinate us: each day. It is either the world is getting better or facing new challenges like global warming that make lives of people Spartan. No worries though; we as members of the wildlife club, equipped with explicit ideas and creativeness, have a role of taking good care of our environment in order to preserve its exclusivity. We aspire to spread interest and knowledge about wildlife and environmental conversation, increase awareness of great economic, cultural and aesthetic value of natural resources and develop a better understanding of the need to conserve them for the benefit of the nation and its people.

Complied by; Fidel William 3E

CHESS CLUB

It is an honor to be featured in the school magazine 2025. Chess is all about composure, mental potency and strategy; traits we never run short of in the mighty KITUI SCHOOL.

Through the club, most students have had the opportunity to reach extraordinary intellectual standards and to participate in high profile tournaments way past nations, continental and even international level. As I conclude, I am grateful to our patron and the school administration for their support.

Compiled by; Victor Kyama, 4E

DEBATE CLUB

With at most gratitude and scrupulousness, I'll contemporaneous a report for the debate club. With the club being one of the vivacious clubs in the school, the club has proficient dexterity in not only fostering aptitudes but also in shaping inordinate minds. Our course is encamped with the conviction "that we upsurge gradually from pawn to king"

Compiled by; Samuel Wambua, 4B

JOURNALISM CLUB

The Journalism Club at Kitui high school has had an exhilarating stint! Our affiliates have been enthusiastically honing their writing skills through engaging workshops and collaborating on innumerable ventures. Join us as we sightsee the dynamic realm of high school journalism!
